

Federal Government Capability Statement

Company Overview:

Since 1990, CTI has specialized in providing office equipment and Managed Print Services (MPS) to various federal agencies nationwide. We pride ourselves on being at the forefront of printing technology. As a multi-brand equipment, service and software provider, our flexible print solutions are customized to fit each agency's specific needs.

Differentiators:

- ✓ **Nationwide** — CTI's network spans across all 50 states and territories
- ✓ **Longevity** — 33 years of serving the federal government
- ✓ **Multiple Brands** — as reseller and service provider
- ✓ **Strong & Varied Experience** — CTI currently manages over 35,000 devices across the US

Core Competencies:

Managed Print Services, Multiple Brand Maintenance, Secure Print, Hardware Purchase and/or Lease, Document Management, Secure Fax over IP and Government Cloud Services.
